

Math Worksheets

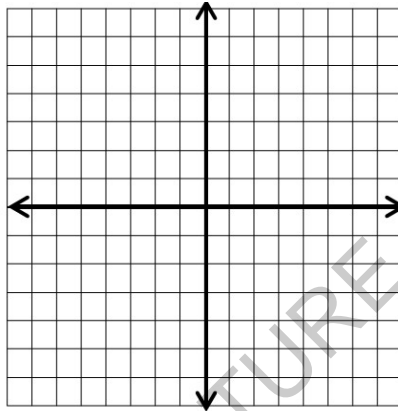

**Graphing Lines Using Line Equation**

 Sketch the graph of each line.

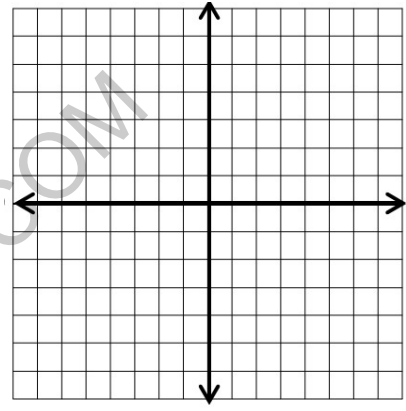

1)  $y = x - 2$

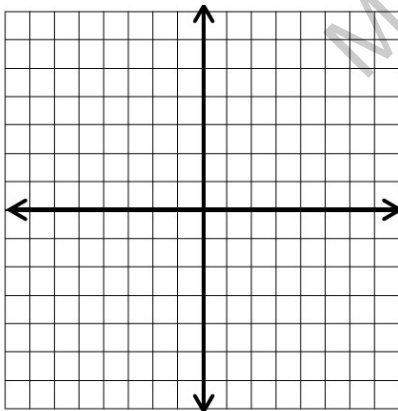

2)  $y = -3x + 2$

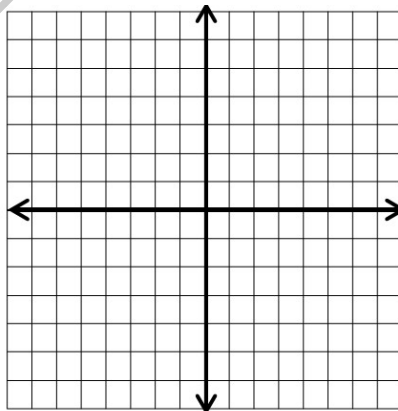

3)  $x + y = 0$

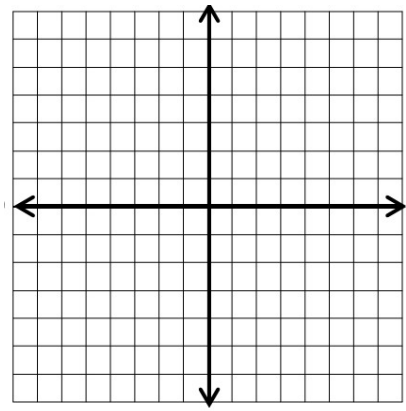

4)  $x + y = -3$

5)  $2x + 3y = -4$

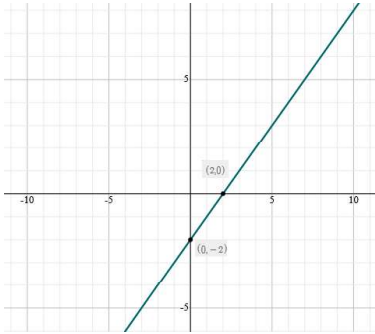

6)  $y - 3x + 6 = 0$
